Notice. Practitioners and researchers must always rely on their own experience and knowledge in evaluating and using any information, methods, compounds or experiments described herein. Because of rapid advances in the medical sciences, in particular, independent verification of diagnoses and drug dosages should be made. To the fullest extent of the law, no responsibility is assumed by the publisher for any injury and/or damage to persons or property as a matter of products liability, negligence or otherwise, or from any use or operation of any methods, products, instructions or ideas contained in the material herein.

Although all advertising material is expected to conform to ethical (medical) standards, publication of an advertisement in the Journal does not constitute on the part of the Publisher or the Society a guarantee, sponsorship or endorsement of the effectiveness, quality or value of the advertised products or services described therein or of any of the representations or claims made by the advertisers with respect to such products or services.

The paper used in this publication meets the requirements of ANSI/NISO Z39.48-1992 (Permanence of Paper).
